NON-TRADITIONAL EDUCATION

'Responsive Web Design' Course (freeCodeCamp.org) | February 2023 - Present

Instructor: Various Individuals

- Completed 1 of 5 certification projects: a survey form
- *Planning to add these and other projects to my GitHub account*

'The Complete Web Development Bootcamp' Course (udemy.com) | January 2019 – Present

Instructor: Dr. Angela Yu

- Started the course at roughly the beginning of 2019; took a long hiatus from 2020 – 2023 for personal reasons
- Completed modules in the following: HTML, CSS, Bootstrap*****, JavaScript, DOM Manipulation, jQuery, Command Line (Hyper Terminal with Git Bash)
- As of March 2023, learning more about Version Control and how to use Git and GitHub

    * *Have not used Bootstrap in a long time - in order to focus on building skills in "vanilla" CSS*

FORMAL EDUCATION

Certificate of Achievement (Animation & Game Design), NCB Icon Lab Programme | 2021

The Mico University College (Online Classes Only)

- Covered and practised foundational theories of Animation
- Gained basic skills in designing video games in Buildbox
- Learned about planning and marketing ideas for both animations and video games
- Received lessons in Entrepreneurship
- Completed in November 2021. Received certificate in April 2022.

Certificate in Digital Video Production, iCreate Institute | January – November 2020

72B Hope Road, Kingston (Later relocated to The Hub, 34 Lady Musgrave Road)

- Completed a series of practical lessons on producing videos, arranging film sets and editing footage
- Originally a three-month course, but was delayed due to COVID-19

(Forfeited) BA Communication Arts and Technology, University of Technology, JA |2019

Papine, Kingston

- Learned essential skills in HTML, CSS, Adobe Photoshop and Adobe Illustrator
- Completed one semester of the first year (August – December) before applying for withdrawal due to financial issues and a change of academic plans

WORK EXPERIENCE

'Website Assistant' at Fontana Pharmacy (Waterloo) | May 2, 2022 – November 17, 2022

Waterloo Square, 12 West Kings House Rd, Kingston

- Mainly non-technical duties including online order fulfilment (monitoring, packing and arranging pick-up/delivery) and providing customer service to online shoppers.

- Did not have the required Administrator permissions to make significant changes to the website, but I changed whatever I could using my HTML and CSS skills, to make things more user-friendly.

- Gained some exposure to payment gateways, search engine optimisation, and managing online store inventory.

- Contract was not renewed; it was decided that I was not a good fit for the company.

FOREIGN LANGUAGES

Korean – CEFR Level A2 – B1

Self-taught; studies still in progress.

- Able to read and write Korean Hangeul – the native alphabet
- Can express basic / everyday ideas through speech, but not at an entirely natural speed
- Understands spoken Korean when done at a slow to moderate speed (level of understanding depends on the vocabulary involved)

NOTE: I'm unavailable for work on the Sabbath and certain Jewish holidays throughout the year.
